LASER POINTER – 330001

Instructions: To use, aim aperture of the instrument then press and hold the forward button.

Applications: The beam is sharp, very bright, and the instrument has sturdy construction with long battery life allowing for heavy use as a teaching tool for: science presentations, conferences, lectures, planetariums, seminars, etc.

Batteries: Unscrew the cap (pocket clip end) to install two AAAA batteries with the negative (-) poles of the batteries facing down the barrel of the instrument toward the lighted end.

Specifications:

1. Class IIIA Laser Product
2. Wavelength: 650nm
3. Power: 2 AAAA batteries, included.
4. Weight: 1.3 oz. (38 g) with batteries installed.
5. Dimensions: 5 1/2" x 5/8" (9 x 140mm)
6. CE compliant, ISO 9001, and complies with 21 CFR part 1040.10 and 1040.11

Precautions: Protect the instrument from water, shock, dust, heat and sunlight. If this product is stored for a long period of time, remove the batteries from the laser pointer to prevent corrosion. Like all electronic equipment, handle this product with care.

Safety: Since a laser beam can be harmful to the eyes, avoid direct eye exposure. Be aware that laser light, when reflected off a mirror-like surface, can also be dangerous.

Caution: Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.
Do not look directly into the laser beam output aperture during operation.

AVOID EXPOSURE
Visible and/or Invisible
LASER RADIATION EMITTED FROM THIS APERTURE

**WARRANTY**

Sper Scientific warrants this product against defects in materials and workmanship for a period of five (5) years from the date of purchase, and agrees to repair or replace any defective unit without charge. If your model has since been discontinued, an equivalent Sper Scientific product will be substituted if available. This warranty does not cover probes, batteries, or damage resulting from accident, misuse, or abuse of the product.

In order to obtain warranty service, simply ship the unit postage prepaid to:

Sper Scientific, Ltd.
7720 East Redfield, Suite 7, Scottsdale, Arizona 85260
email: info@sperscientific.com

Please note: The defective unit must be accompanied by a description of the problem and your return address and phone number.

Register online at www.sperscientific.com or return your warranty registration card within 10 days of purchase.
